Rapid Ready Fixed Spreader Beam, 8' Spread & 46,000 lb WLL shown.

Image shows optional Chain Top Rigging and Shackles. Crane Block not included.

### Rapid Ready Program

#### Additional Terms and Conditions

The following terms and conditions are in addition to those identified in 3006.06a:

**Applicability:** These additional terms only apply to those items identified as part of the Rapid Ready Program as shown on the Tandemloc website.

**Shipping Schedule Obligation:** Rapid Ready Products will be shipped within 5-7 "Tandemloc Work Days" after receipt of payment. The 5-7 day schedule begins on the next Tandemloc Work Day after receipt of payment and ends on the day the item is shipped or is ready for customer pickup.

**Customer Pickup:** The item is considered "shipped" once the customer is notified by e-mail that the item is ready for pick-up.

**Tandemloc Work Days:** Are days where Tandemloc is open and producing products. This is typically Monday through Thursday, not including Tandemloc holidays. (Fridays are also not included as our Production Department is closed on Fridays). Inclement weather or other day(s) wherein Tandemloc is unexpectedly closed are not to be considered "Tandemloc Work Days".

**Payment Terms:** All orders for Rapid Ready products are prepaid or by credit card. This applies to all customers regardless of prior payment terms for other orders.

**Cancellations/Returns/ Refunds:** Are not allowed unless Tandemloc fails to meet the above shipping schedule obligation or the item is not manufactured in accordance with the sales drawing provided to the customer With the order acknowledgment.
